Important Notice: End of life for the following SBCs

Due to the rapid obsolescence of components used on the single board computer models listed below on December 30, 2016 they will no longer be available.

- XVME-6200
- XVME-6300
- XVME-6400

Please be sure to contact Acromag or [find your local sales representative](#) to place your last orders before **December 30, 2016**.

The remainder of these models in stock is available on a first-come basis.

Acromag will also maintain sufficient components to repair these single board computers for the foreseeable future. This notification does not alter or impact any current purchase orders currently with Acromag.

If you need more information please contact your local sales representative: [USA/Canada](#) / [\(International\)](#) or contact the [Factory](#).
