Re: End of Life Notice

Key components used on Acromag VME processor products employing Intel's 4th Generation CPUs (formerly known as Haswell) are now no longer available in the marketplace. As a result, Acromag has elected to End-Of-Life these products. Please consider this official field notification that Acromag is discontinuing the sale of these models due to EOL parts effective today. A list of affected models is below.

A replacement VMEbus SBC product is currently in engineering development. The release date for this new XVME-6800 series, is targeted for Q4 2024. Please contact your regional sales manager to discuss your future requirements.
